LOCAL.ORG.AU](http://WWW.LEARNLOCAL.ORG.AU)

Do you want to gain valuable employment skills to help you enter the workforce, change careers or undertake further studies?

What is a Learn Local?

Learn Locals are independent community based organisations. They are all not-for-profit businesses that are established to meet the needs of their local communities.

In addition to education and training programs, many Learn Locals also deliver a range of other services for their communities including employment services, childcare and community development activities.

Why study in a Learn Local?

The Victorian Government, through the Adult, Community and Further Education Board (ACFEB), funds a network of 24 Learn Locals across Loddon Mallee that can help eligible adult learners develop the skills to find a job or successfully undertake further studies.

Learn Locals can help you gain the confidence and the skills you need to take the next step in reaching your potential. Wherever you live across Southern Loddon Mallee, there is a Learn Local nearby offering a wide range of courses.

Each year, over 28,000 Victorians choose to undertake government subsidised training through a Learn Local provider. These students come from a wide range of backgrounds and choose to study with a Learn Local because it is close to home, and offers a friendly environment with teachers who are focused on helping them to succeed.

What's in it for you?

Learn Locals are friendly and welcoming, with qualified tutors who are focussed on helping you to succeed.

Across the ten regions within the Loddon Mallee area there are 24 Learn Locals who can help you:

- › Undertake a pre-employment course to help you find a job
- › Improve your digital literacy and computer skills
- › Improve your reading, writing and maths skills
- › Access English language classes
- › Improve your financial literacy skills
- › Return to study and gain a qualification
- › Get started with a pre-accredited program

How and when can you enrol?

Enrolment requirements vary across Learn Local providers. You might need to enrol in person, or you may be able to enrol over the phone, online or by mail.

You can find information on all Learn Local providers in Victoria at www.learnlocal.org.au

Fees and Costs

Learn Locals provide access to government subsidised training. Course fees are kept low and concessions apply. Contact the Learn Local directly to get further information.

Learn Locals can also provide customised training solutions to a wide range of businesses.

Learn Local providers can deliver courses that will upgrade the employment skills of both your existing and new workforce.

Programs can include:

- › Industry specific training across a wide range of sectors (including health, disability, retail, tourism, hospitality, construction, trades, business, horticulture, beauty plus many more)
- › Digital literacy training
- › Language, literacy and numeracy assistance
- › English language classes
- › Financial literacy assistance
- › Employability skills
- › Occupational Health and Safety

If you would like to find out more about how your business can work with Learn Locals to deliver training programs please contact training.participation@edumail.vic.gov.au

"I started a course at my Learn Local when I was unemployed and wasn't sure what career I wanted. I wasn't overly confident and at times, struggled with anxiety and believing in myself. The course gave me the confidence and skills to be job ready. I went on to further studying and completed my Certificate III in Individual Support and began working in the Aged Care Industry."

– Taylah

"The course was so much more than I expected, because I thought barista would be easy, but I gained so many skills like how to communicate with customers and how to serve them."

– Mary

"I learnt information about the communication and customer service skills to get a job. Everyone's friendly and my teacher is really supportive. She helps everyone and explains everything. We went to local businesses and learned about different jobs and the skills they require."

– Marzena

"Doing this course showed me that I can do more than I thought I could."

– James
