What is a Learn Local provider?

Learn Local providers are independent community based organisations. They are all not-for-profit businesses that are established to meet the needs of their local communities.

In addition to education and training programs, many Learn Local providers also deliver a range of other services for their communities including employment services, childcare and community development activities.

Why study with a Learn Local provider?

The Victorian Government, through the Adult, Community and Further Education (ACFE) Board, funds a network of Learn Local providers across the State. Learn Local providers can help eligible adult learners develop the skills to find a job or successfully undertake further studies.

Each year, over 28,000 Victorians choose to undertake government subsidised training through a Learn Local provider. Learn Local providers can help you gain the confidence and the skills you need to take the next step in reaching your potential. Wherever you live across Victoria, there is a Learn Local provider nearby offering a wide range of courses.

What's in it for you?

Learn Local providers are friendly and welcoming, with qualified tutors who are focused on helping you to succeed. Across Victoria, there are a network of 278 Learn Local providers. They can help you:

"I saw this as a good opportunity for me to do something different in an area that will hopefully lead to more job security. I was not sure how I would go, but the teachers were all very helpful and supportive."

– Wayne

"I have made some great friends and have been lucky enough to secure a full time position in disability support where I completed my work placement. All around this course was exactly what I needed to get me where I am today."

– Michelle

"Doing this course showed me that I can do more than I thought I could."

– James

"I completed a computer course at my Learn Local. It was flexible and I could come in at any time which was great. The course gave me the skills and confidence to go on and complete a diploma qualification. It was really hard work but I could not have achieved any of this without the friendly support provided by teachers. I now have my 'Dream Job' as a Volunteer Coordinator in a busy Community Centre."

– Nooroa

"The course taught me about the importance of communication and customer service skills in getting a job. Everyone was friendly and my teacher was really supportive. She was very helpful and explained things clearly. We went to local businesses and learned about different jobs and the skills they require."

– Marzena
